

Scoil Mhuire NS Parent Association Update

The Parent Association was set up just over a year ago to represent all the parents and to work with the principal, staff and Board of Management for the best possible education for all of the children attending our school.

Our role is to be a support for parents, to suggest and help organise extracurricular activities, to invite speakers to address parents on topical or relevant issues and also to advise the principal and Board of Management on policy issues and incidents that may require a review of school policy.

We have been very active throughout the year and have been involved in the following activities;

- ✓ Workshop on Internet Safety
- ✓ Environmental projects including the polytunnel
- ✓ Extracurricular activities including Sports Day
- ✓ General housekeeping of the school
- ✓ Supportive role to the school and parents
- ✓ Promoting community information
- ✓ Educational programmes
- ✓ Enhancing Parent and child education
- ✓ Promoting Parental involvement in child's education

As you know the school is having their sports day on Thursday 22nd June at the football pitch (weather permitting). If any parents are available to help with the activities on the day we would greatly appreciate it.

Date for your Diary...

The current Parent Association has been in place for just over a year and will be having an AGM just after our school reopens in September. The proposed date is Monday 25th September and further information will be forwarded at that time.
