### Summer Works Scheme

As you may have noticed the windows/doors replacement project under the 2019 SWS commenced on Wednesday September 4<sup>th</sup> and is ongoing. While it has been far from ideal that this work is progressing during term, it was beyond our control and we are actually well ahead of other schools which have similar works to complete. We apologise for any disruption caused which has been kept to the minimum due to mutual co-operation. We are hopeful that it will be close to completion by the end of next week.

### Annaduff Credit Union

We have been asked to encourage savings with the local Credit Union and in this regard we wish to remind you that we will continue as a collection point for Annaduff CU. We will collect money, on behalf of the Credit Union, from new and existing members on each **Friday** of the school year. Membership Application Forms are available from the school for anybody who wishes to join the Credit Union Schools Savings Scheme.
